

Catapult Venture Managers Limited has completed an investment of £330,000 into FDTEK Holdings Limited as part of a £500,000 funding round

FDTEK is set to become the national data network for the management and communication of commercial vehicle inspection and maintenance records, providing data sharing across all parts of the supply chain.

The investment will allow FDTEK to complete 'R2C' (a web based version of their software) and launch it in the marketplace.

Catapult provides equity capital of between £200k and £2m for growing businesses
