

Catapult goes green with its latest investment in the wind energy support services sector

Kettering based Renewable Technical Services Ltd (RTS) is a leading outsource partner, delivering installation, inspection and maintenance services to wind turbine OEMs, operators and power companies.

Catapult have invested £900,000 of development capital to enable RTS to enhance its total asset management offering and roll out its services to an increasingly wide blue-chip client base.

Catapult provides equity capital of between £200k and £2m for growing businesses
