

Catapult Venture Managers Ltd has completed a £330,000 investment into Zysis Ltd, as part of a £700,000 funding package

Zysis, which was founded in 2005, focuses on the development of new products based on drugs that have already been approved by regulatory authorities. These new product opportunities are intended to extend patent protection for drugs in their existing clinical usage or to explore new clinical indications.

The funding will allow the company to take their two lead products through phase one clinical trials and subsequently license them to pharmaceutical industry partners.

Catapult provides equity capital of between £200k and £2m for growing businesses
